Dear Parents/Carers

The start of the year has been very positive with a calm and purposeful environment throughout the school day. Expectations are high and the response from all members of our community is to be commended.

We are holding our first Parent/Carer Association meeting on Monday 8 October. Please find the agenda below. With a dispersed community and over 40 feeder primary schools, the Parent/Carer Association is intended to provide a platform for effective dialogue between our parent/carers and the school. We know the strength of the relationship within the 'learning triangle' between school, parents/carers and each child is pivotal for every young person to achieve success.

Should you wish to join us, please confirm your attendance at the meeting by completing [the registration form](#) so appropriate seating arrangements can be made.

Yours sincerely
