

13 September 2018

Dear Parent/Carer

### Year 11 - Preparing to Perform - Monday 24 September 2018

I write to invite you attend this important evening in our school calendar, where you will have the opportunity to explore how we can best support your child together throughout this crucial examination year.

The Heads of English, Maths and Science will talk to you about the particular demands that each subject brings and provide tips on preparation for exams. We will discuss what the science research tells us about how students learn best and review some of the great resources that are available to support revision.

To book your place at the Preparing to Perform evening please use our new online [Parents' Evening booking system](#). To access this system you will need to provide an email address and confirm the date of birth of your child.
