Post–Results Services 2018

All students may request a Post-Results Service (Review of Marking and Moderation or Access to Scripts). Prior to doing so, you should discuss this with your subject teacher in order to consider if it is worthwhile. You will need to complete the Post-Results Application Form (available from the Exams Office or via your teacher) if you wish to make an application. The form will need to be submitted to the Exams Officer before the deadline.

Payment for any Post-Results Service is required before the application is made. The payment for a review of marking and moderation will be refunded if your grade is changed. Cheques should be made payable to: St Katherine's School.

Reviews of Marking and Moderation (ROMM)

Awarding bodies offer the opportunity for the marking of your script to be reviewed. The services available are:

Service 1 (Clerical re-check), this is a re-check of all clerical procedures leading to the issue of a result.

Service 2 (Post results review of marking), this is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly.

Priority Service 2 is as Service 2 but is only available for candidates who have a place in further/higher education dependent upon the outcome. **Please note that deadlines are short.**

It is important to realise that marks and grades are not always raised as a result of a re-mark; they can simply be confirmed and could even be lowered.

Access To Scripts (ATS)

Photocopies can be requested before deciding whether to lodge a review of marking or moderation. This service must not be requested at the same time as an review of marking or moderation service.

Original scripts cannot subsequently be subject to a review of marking or moderation– get a photocopied script if you may want a review of marking and moderation.

If you would like to take up one of these services, complete a Post Results Application Form available from the Exams Office or via your teacher.

Post–Results Services 2018
