

Year 9 Barcelona trip - July 2019

The MFL faculty took 38 Year 9 pupils to Barcelona during Activities Week for a brilliant, cultural visit.

During the week students enjoyed two trips to Barcelona to admire famous places and monuments such as the Cathedral, the Gothic Quarter, Pablo Picasso museum and the Sagrada Familia; plus two exciting trips to PortAventura, our pupils made the most of the week!

Mrs Maringo led the trip with the support of Mrs Collins, Mr Davies and Mr Simmons who undoubtedly enjoyed the experience as well.

Our pupils came back exhausted on Saturday morning but thrilled to have spent a week in Barcelona with their friends and tutors. It has been a delight organising this trip again this year and hope that our pupils have made lifetime memories.

Mrs Maringo - Head of MFL

Mr Davies, Mrs Collins and Mr Simmons also accompanied the trip. Here's Mr Davies' summary of a great week:

“38 Year 9 students, 4 teachers, 5 days and 32°C temperatures - I'm exhausted just remembering it! This trip offered a perfect balance of culture and relaxation (well, for the students maybe!), from exploring the city's labyrinthine Gothic Quarter, to an afternoon splashing around in a sun-soaked water park. If the array of snoring bodies spread throughout the coach when we arrived back at St Kath's at 3am on Saturday morning was anything to go by, I think we succeeded in tiring them all out!”
