St Katherine's School is seeking to appoint **two** Deputy Headteachers from September 2020. This significant investment from the school reflects the ambition of the school and will provide additional capacity to deliver the next phase of our strategic plan. The successful candidates will play a pivotal role in driving our strategic plan and building on the success of recent years. You will be somebody who places young people at the heart of every decision, and your leadership will motivate and inspire colleagues to do the same.

You will have a successful track record of improving the quality of education through your leadership. You will have successful leadership experience in delivering the highest expectations and standards across some of the key areas of senior leadership; curriculum, teaching and learning, behaviour and pastoral leadership. We welcome applications from any of these key areas and will agree precise job roles and remits upon appointment.

You will be an excellent communicator and a team player who is able to work under pressure to effectively manage the process of change. You will need a 'can do' attitude and a desire to deliver excellence across all areas of leadership, as the school continues to grow. You will deputise for the Headteacher and be instrumental in shaping our learning community.

If you can demonstrate that you possess the necessary experience, knowledge and qualifications and aspire to our vision and values, we would like to hear from you. The successful candidates will be ambitious for the young people they serve and for themselves. Support will be provided to complete the NPQH qualification in preparation for headship.
