

St Katherine's School

18 August 2020

Dear Year 13 Students and Parents/Carers,

Late yesterday afternoon, OFQUAL announced that Centre Assessed Grades (CAGs) for A Level will be accepted in place of the grades awarded last week (unless the final grade was higher than the CAG, in which case the moderated grades will stand). It is not confirmed whether this applies to Vocational Results and we are seeking clarification.

If any of the grades that you were awarded last week were moderated then we will be sending the correct centre assessed grades to your school email address by the end of the week. Thankfully, the vast majority (97%) of our students secured their first choice destination. We will now continue our efforts to ensure all students secure their destination along with making sure all certified A Level and vocational grades are correct.

If you still have concerns about your grades and what they mean for you, please contact Mr Francis Black francisblacka@skdrive.org. If in doubt, please get in touch. We will continue to keep you updated should we receive further information.

We are deeply sorry that Year 13 in 2020 has been caught up in such a confusing and constantly changing situation. Well done for responding in such a mature and measured manner throughout. Please continue to be sensitive and mindful of the way this has impacted on your peers.

Kind regards

Justin Humphreys
Headteacher
