

ST KATHERINE'S CAREERS BULLETIN – ISSUE 4

JANUARY 2021

Welcome - Happy New Year! Maybe not the start that we wanted at St Katherine's but you can still access lots of amazing opportunities from your own home. Speakers for schools have lots of fantastic opportunities for work experience which is really worth having a look into and looks great on your CV. If you need any help with anything you can always contact Miss Gardiner via email who will be able to help you one on one in these weird times.

gardiners@skdrive.org

Individual Guidance and Support - If you would like a one to one careers meeting with the careers adviser please contact Miss Hayer hayerr@skdrive.org or contact your head of house. If you need any advice about employability, applying for a job, work experience, help writing a CV or personal statement or anything work related please contact Miss Gardiner on gardiners@skdrive.org.

Year 10-13

Burgess Salmon - Insight days - Legal and supporting Business Services Information Days

During February half-term, on Tuesday 16th and Thursday 18th February 2021, we will be hosting our two Information days to provide students who have an interest in law and the legal sector with insights into career opportunities in the profession and the supporting business services. The events will include various talks, for example from a legal trainee and both our legal and Business professionals apprentices as well as interactive group exercises and an optional advice clinic, facilitated by our HR team, on the application and recruitment process. We receive excellent feedback from students who attend these insight days and our events are always oversubscribed. Further information about these events can be found on our website

<https://www.burgess-salmon.com/careers/school-students-information-days/>

Amey Work Experience - 15th to 17th February

As part of Amey’s work experience programme you will be learning more about how we work with our clients and partners to keep transport networks running. Working as part of a team you’ll deliver a hands on project designed to show you what it’s like to work in an industry that brings together diverse people and skills for the benefit of society. Apply through the link below, application deadline is 22nd January.

ARMY! a compelling live-hosted video presentation about the Armed Forces, 17th February 2021

Every year thousands of young people join the Army. For some it's a way of doing a paid apprenticeship and leaving after 4 or 5 years with a free driving licence and new set of skills and qualifications and the confidence to start a career in a new sector. For others, they love the feeling of belonging the Army gives you so much they decide to stay with it and develop their skills as a leader in a full Army career.

But what is the Army? What does it do, and how does it work? What skills and activities does it offer. What is life as a soldier like? And how does the Army contribute to society? Find out more and click on the link below, the deadline for applications is Feb 1st.
