

Tuesday 15 June 2021

Dear Parents/Carers

Further to yesterday's letter regarding the two positive LFD tests, we can now confirm the following:

Year 10 students and those students who travelled on the SK2 will remain Learning@Home until we have received the results of the pending confirmatory PCR test.

- one of the confirmatory PCR tests has been returned as positive. All close contacts identified must continue to isolate. We are still awaiting the results of the second PCR test.
- we have since had a further two confirmed positive LFD tests. No contact tracing is required as these students were not in school in the 48 hours prior to testing positive.
- a further student in Year 10 with symptoms is awaiting the result of their confirmatory PCR test.
- Year 10 mock examinations are postponed this week.
- Year 12 mock examinations will continue with students completing their papers at home.
- Should your child require a Chromebook, please contact their Head of House.

Reminder - Action required

- **Year 10 students and those on the SK2 must take an LFD test and submit the result on classcharts and track and trace.**

We continue to work with Public Health England and thank you for your patience and continued support.

Kind regards

Justin Humphreys
Headteacher
