

19 October 2026

Dear Parent/Carer,

Year 9 Assessment 1 will take place from Monday 09 November to Friday 13 November

The assessments will take place in normal timetabled lessons and each paper will last 40 minutes, with a maximum of three assessments each day.

You'll find a timetable for your child's particular classes and the revision resources provided for each subject attached. Please take a little time to talk through these with your child and encourage them as they prepare.

Once the assessments have been marked, we'll share results with you in the form of *Progress Check 1* which will be emailed in **December**.

Thank you, as always, for your support in helping our Year 9 students approach these assessments positively and with confidence.

Your sincerely

Michelle Cave
