

16 July 2020

Dear Students and Parents/Carers,

I am writing to all applicants to the sixth form to confirm the plans for students' return to school in September. **Year 12 students will begin the year on Thursday 3 September.** Students should arrive on site by 8:45am and proceed to the sixth form block. This day will include an induction into expectations of sixth form students, sessions on wellbeing and study skills, an introduction to the new systems and ways of working within the school, and an opportunity to get to know your new tutor and Head of Sixth Form.

Students should have with them:

- Pen, pencils, lined paper, and any other stationery they may wish to bring
- A folder for any handouts from sessions
- A laptop / Chromebook

There will be new routines around hygiene and distancing that students will be expected to adhere to throughout their time on site and these will be explained to all students as part of their induction.

You have received separate communication about results day and sixth form enrolment - this takes place on Thursday 20 August.

I am excited about leading the Sixth Form from September and working alongside each of our successful applicants. I look forward to welcoming you back, helping you through this transition period, and putting in the building blocks for a fantastic experience in Year 12 and beyond.

Should you have any questions please do not hesitate to contact me.

Yours sincerely

G.Davies
