

15 September 2020

### **Open Events Autumn 2020**

Dear Parents/Carers,

Given the recent change in legislation regarding gatherings of more than six people, we have taken the decision to amend our planned open event experience for prospective families for September 2021 entry. Regrettably, we will no longer be able to offer families the opportunity to visit our wonderful site and facilities at St Katherine's on Saturday 26 September.

Although you already have a child(ren) at St Katherine's, we know that it is just as important for siblings in Year 6 to learn about the school in advance of joining us as it was for their older brothers and sisters. With this in mind we would be delighted if you could join us at our **virtual open evening on Thursday 24 September at 7pm**. The event will include a virtual tour of our school and curriculum, a welcome from Mr Blundell, Cathedral Schools Trust CEO and Mr Humphreys, Headteacher, some information around our first class pastoral support provision from relevant colleagues and most importantly, a chance to hear from a number of our students. There will also be an opportunity for families to ask questions during the evening, with responses from the relevant colleague.

To register for the virtual open evening [here](#). Should you be unable to join us virtually on 24 September, please register your details [here](#) and we will send you a link to a recording of the event.

We do hope you are able to join us for our virtual open evening.

Your sincerely

**Justin Humphreys**  
**Headteacher**
