

18 October 2020

Dear Year 12 and 13 Parents/Carers

Further to the letter you received earlier this evening confirming Year 12 and 13 are isolating, here is an outline of the next week for Years 12 and 13. We fully appreciate the disruptive nature of this decision and our focus now is on ensuring we replicate the school day for all students at home and protect the delivery of the curriculum.

How can parents/carers help? Where possible:

- provide a quiet space for your child to work
- support your child by encouraging them to keep their daily routine
- support your child in taking a break from their work
- check on their work completed each day
- check your child's books each day

All Year 12 and 13 students should follow their timetable

- During every single lesson, teachers will deliver a 45 minute lesson using Google Classroom and Google Meets.
- The day will run as normal with lessons from tomorrow morning P1.

Our [Learning@Home](#) guide goes into more detail. Should you have any questions please do not hesitate to contact us at school.
