

Weekly Communication to Parents/Carers | Friday 7 May 2021

Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

HEADTEACHER'S UPDATE

Dear Parent/Carers

Can I firstly draw your attention to an unusual and rare incident at St Katherine's recently where a member of the public came onto the school site by the car park and playing fields. The unknown member of the public was quickly confronted by a member of staff and asked to leave. All staff at St. Katherine's School are trained to understand their safeguarding responsibilities and this includes being vigilant about unauthorised visitors. The member of the public had entered the school site and sat on the bank of the top field where a PE class was taking place in the distance. They were there for a very short amount of time before being noticed and asked to leave. The member of the public did not speak to or approach any of our students.

As a precaution, and in order to ensure we kept our students safe, we called the police who quickly attended and looked nearby to see if they could find and speak to the person matching the description. The police did not find anyone matching the description but have recorded the incident and I have spoken to our local Beat Team and informed the North Somerset Safeguarding in Education Team.

It is important we make all members of our community aware of the incident and remind us all to be vigilant and to raise any suspicious behaviour to school staff. This year we have carried out a security audit of the site and are currently working with a consultant on fencing for the entire front of the school to improve the security on site. If you would like to discuss this matter or any other safeguarding issue, please feel free to contact Kat Crocker or myself at school.

This week we sent out birthday wishes to Paul Stephenson who celebrated his 84th birthday. Students prepared a [short video](#) which was shared with Paul's agent and carer for him to enjoy, emphasising the Stephenson House values of diversity, determination and equality which our students live and breathe each day.

We have shared a [letter](#) today regarding the end of term arrangements for Year 11 and Year 13.

Last month the Children's Commissioner, Dame Rachel de Souza, launched [The Big Ask](#) - the largest ever survey of children in England. It asks all children about their priorities and concerns for the future, so that the Department for Education can put children at the heart of the national recovery post-COVID-19. Please encourage and support your child/ren to complete the survey and make their voice heard. Every single pupil's voice is important. The deadline for completing the survey is Friday 28 May.

We are here to support all our young people with their learning at all times and please do not hesitate to get in touch if you need further support in any of the adjustments we are making. Please refer to the 'Who to contact at St Katherine's' table below. We are always keen to hear your feedback and please share this using this [form](#).

Best wishes
