## Weekly Communication to Parents/Carers | Friday 18 June 2021

Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

### HEADTEACHER'S UPDATE

Dear Parents/Carers

Thank you for your patience to those affected by the disruption this week. A deeply frustrating week for all of us as we were very much hoping for no disruption this term. Sadly, the reality is confirmed by the data in the local area and with cases rising at a rate within Bristol and pockets of North Somerset, including Pill, we must all continue to be disciplined and vigilant as we go about our daily routine.

Our [risk assessment](#), including our bubble structure and return to face coverings in all internal spaces are all measures we have in place to protect ourselves, along with the personal discipline we continue to promote to all staff and students.

#### Testing

A reminder on the testing required through Term 6.

- Continue to test twice a week at home
- report results [online](#) as positive, negative or void and on [classcharts](#). This information is critical in helping us to understand the prevalence of the virus across the country and tracking as a school community

Our next Parent/Carer Association meeting takes place next Thursday 24 June. With these meetings now being remote, they are more accessible for a number of families. All parents/carers are welcome to attend, please join us online if you can. See below for more details.

We are here to support all our young people with their learning at all times and please do not hesitate to get in touch if you need further support in any of the adjustments we are making. Please refer to the 'Who to contact at St Katherine's' table below. We are always keen to hear your feedback and please share this using this [form](#).

Best wishes

Justin Humphreys  
**Headteacher**

## Year 11 and Year 13 Updates

All assessments for year 11 and 13 are now complete and we will be submitting grades to exam boards today. Congratulations to all students who have applied themselves diligently across a very challenging six weeks to produce some incredible work.

Results will be available for collection at the following times:

- Year 13 - Tuesday 10 August from 9 am
- Year 11 - Thursday 12 August from 9 am

### MESSAGES

Mrs Crocker Designated Safeguarding Lead	All Students and their families	<b>This week Ofsted published the findings of their review of sexual abuse in schools and colleges. Peer on peer abuse has always been highlighted in our safeguarding work.</b> However, recent events both in the national news, such as the murder of Sarah Everard, and in our school community, have thrown it into even sharper focus.
---	---------------------------------------	--

Following the student protest in May, we have been focussing on listening to students about their experiences of sexual harassment. It is important that everyone feels heard. This has included a range of actions including open forums with all student leaders, tutor time discussions, reviewing our peer on peer abuse policy, increased staff training and expanding the way students can raise concerns in a way that feels safe.

What is critical to our ongoing ability to create a safe space at St. Katherine's School is that all members of our school community fully understand that safeguarding is everyone's responsibility and that this means that when any of us are worried about sexual harassment (or any other safeguarding concern) that they tell someone.

Students and their families can 'tell someone' by speaking to any member of staff - everyone has had training about how to best handle concerns about peer on peer abuse. Alternatively, you can complete the 'tell someone' form on the school website that can be completed anonymously if needed. Including as much detail as possible in this information is important so that we can investigate concerns thoroughly.

We will continue to listen to our students and their families so that we can continue to improve the way we work together to make St Katherine's a safe space for everyone and I would encourage you to get in touch with me at school if there is something you would like to discuss.
