

9 November 2021

Dear Parent/Carer,

Following discussions with staff and students, we have made the decision to move our Sixth Form Open Evening to an online event. Whilst we were very eager to invite you to St Katherine's in person, we must always put the safety and wellbeing of our community first. With current COVID cases in school and the local area being high, our focus is now on offering an excellent virtual experience.

We will strive to make this event as engaging and interactive as possible, offering students and parents/carers opportunities to get an insight into our Sixth Form and the individual subjects we offer. As well as this, we are working on an in-school programme to offer Year 11 students a taste of sixth form life and lessons in the coming weeks.

The event will take place via Zoom on 17 **November from 6.00pm-7.45pm**. You will hear from the Headteacher, Sixth Form leadership team and our student leaders, as well as have an opportunity to engage in Q&As with the Head and Deputy Head of Sixth Form, and up to five subject teachers. Find a schedule for the evening on the next page. We strongly suggest you plan which subject sessions you will attend in advance.

To register for the event, please go to [this link](#).

If you have any questions or comments, please do not hesitate to contact me on [daviesg@skdrive.org](mailto:daviesg@skdrive.org), and I will aim to reply as quickly as possible.

Kind regards,

Geraint Davies

Geraint Davies  
**Head of Sixth Form**
