Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

MESSAGES

<p>School</p>	<p>All Years</p>	<p>Thank you to all families for continuing to be vigilant around symptoms and disciplined with twice weekly testing. Please continue with this.</p> <p>Please ensure your child/ren come to school each day with at least two clean masks</p> <p>Changes to the self-isolation period for those who test positive for COVID-19 From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to school immediately on day 6.</p> <p>The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.</p> <p>If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.</p> <p>Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.</p> <p>If you have any questions please contact reception for clarity.</p>

If your child has tested positive for Covid-19 since Wednesday 7 October, they will not be expected to complete the lateral flow test when they return to school. To ensure students are not asked to complete their lateral flow test where this is the case, please inform us via this form if your child has tested positive for Covid-19 since Wednesday 7 October. If your child tests positive between now and our return, please inform the school via email - school@skdrive.org</p> <p>Covid 19 Testing - Testing over the break</p> <p>Please support your child in continuing to test twice a week over the Christmas break. Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

MESSAGES

Mr Humphreys	All years	<p>The impact of Covid 19 continued to disrupt our community this week, impacting on our staff team. We are grateful to the students affected for their cooperation as we have provided the best alternative programme for them to ensure the continuity of the delivery of the curriculum.</p> <p>Regrettably, this affected some staff presence at the Year 8 Progress Evening yesterday. We will make plans for the teachers to make contact with parents/carers whose appointments were missed.</p>
Mr Humphreys	All years	<p>Coffee Morning with the Headteacher It's not too late to sign up for the coffee morning next week. It's been a long time since some of us have had an opportunity to meet in person. Why not join us for a coffee/tea with the Headteacher on Thursday 2 December, 9.30-11.00am in The Leaf. Please let Mrs Moller know if you would like to come along - mollerj@skdrive.org, as there will be light refreshments. We look forward to seeing you.</p>
Mrs Crocker	All years	<p>We have been asked by the police beat team to share this message with all parents ahead of Christmas so that parents and families are well informed about the law and the risks associated with motorised scooters. A poster with more information has been provided by the police and can be found by clicking on this link.</p>
Mrs Crocker	All years	<p>A family agreement is a great way to start a conversation with your whole family about how you all use the internet, and to start discussions together around how to behave in a positive way when online, whether this is at home, at school or at a friend's. Childnet have put together a template for a family agreement that provides a list of things to consider when creating a family agreement, and some examples to get you started. You can find their advice and the template by clicking this link.</p>
Mr Davies	Year 11	<p>Thank you to all parents/carers/students who attended our Virtual Open Evening last week. We hope you found it productive. Physical prospectuses have been sent out this week, along with an email sharing further resources. If you have any questions about Sixth Form application, please email daviesg@skdrive.org. The application form can be found here.</p>
Miss Richards	Year 8	<p>Year 8 Progress Evening Following very positive feedback from parents/carers last year, we have refined our progress evening process. As a result, consultations with subject teachers are online, with some meetings with Heads of House taking place on site. To ensure that students, parents/carers and teachers fully utilise the meetings, we would value your feedback on how the process has worked for you.</p> <p>Please complete the short feedback form by Sunday 28 November. Your feedback will help to shape any developments required for our next progress evening.</p>

MESSAGES		
Mr Humphreys	All years	<p>Coffee Morning with the Headteacher It's been a long time since some of us have had an opportunity to meet in person. Why not join us for a coffee/tea with the Headteacher on Thursday 2 December, 9.30-11.00am in The Leaf. Please let Mrs Moller know if you would like to come along - mollerj@skdrive.org, as there will be light refreshments. We look forward to seeing you.</p>
School	All years	<p>We have received some enquiries about Covid drop in vaccination clinics. For advice please contact the Immunisation Team on 01275 373104 or email o.lee@nhs.net Alternatively you can book through the NHS website: https://www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/book-coronavirus-vaccination/</p>
Mr Francis Black	All SK Bus users	<p>We have had occasions when buses have been late in the morning and communicating this with parents and students has been difficult. Please accept my apologies for the confusion and disruption that results from this. I would like to clarify the processes for dealing with any future lateness.</p> <p>1) Students should wait at their stop for up to 30 mins after the published time after which they should return home.</p> <p>2) If a bus has not arrived 15 mins after the published time, students should contact the school by text or phone on 07926 445430. They should clearly state the route and stop at which there is an issue.</p> <p>3) Once I have established with Turners the details of the late running service I will communicate it via a Class Charts announcement. This produces push notifications via the Class Charts app so please ensure that you have installed the app where possible.</p>
School	All years	<p>Please take a few minutes to update the consents that we hold for the use of your child's image using this form. It would be helpful if all families could complete this for each child so that we have a full and accurate record.</p>
Mrs Crocker	All years	<p>The vast majority of our students have mobile phones and use them appropriately and safely. For many parents their child's mobile phone is a way of tracking their location and making sure they are safe, especially on the journey to and from school. Spending time on mobile devices can expose children to harmful content and the UK Safer Internet Centre has a large range of resources for parents that can help them make sure their children are using their phones in a safe way. The resources they have published online can be found by clicking on this link.</p>

Ms Wylid	All years	E-Platform - we were able to offer access to support students during lockdowns and while isolating, but as the LRC is now fully open to students every day and we are a device-free school, we no longer subscribe to the service. If you are keen to access audiobooks at home, please look at this link for some great free alternatives.
Pill Food Bank	All years	We provide food parcels to feed a family for three days. These are available to anyone in need. Food parcels can be collected or delivered - whichever people prefer. If you need any toiletries added please ask. For a parcel call James on 07827 032219.

Students will need a packed lunch and a contactless option of paying for the underground journeys.
Mrs Weatherson	GCSE photography / A level media	We are thrilled to be able to offer the Warner Bros Studios tour again this year. This really is a magical trip for the digital creative arts students; providing the opportunity for a location photography project and for students to gain a better understanding of the world of filmmaking. It feels extra special this year to be able to offer this experience in the last week of term before the Christmas break.
Mr Davies	Year 11	A huge thank you to the parents and carers who attended our Sixth Form Open Evening on Wednesday. It was a pleasure to see so many attendees, and we hope you found it valuable. Children must not call/text home from their own mobile phones. If your child does contact you directly from their own phone, please call reception on 01275 373737 to let us know.</p>
Mr Francis Black	All years	<p>Progress Evenings - Many thanks to all those who completed feedback regarding the recent year 9 progress evening. The overwhelming opinion was that the online system was a very positive step, eliminating the need for travel and ensuring that all meetings run on time. Suggestions were made regarding how we can further improve things and this includes:</p> <ul style="list-style-type: none"> • All meetings begin with teachers addressing the questions of parents/carers so that these do not get missed. • Clearer direction that students should be in attendance at all meetings • Should meetings not run as expected parents/carers can request a follow up phone call or email via school@skdrive.org • We will work with the provider of the online system to address some of the technical issues around joint meetings with parents/carers in different locations.

Weekly Communication to Parents/Carers | Friday 5 November 2021

Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

MESSAGES		
School	All Years	<p>Check your child at least one clean mask with them for school and a spare in their bag</p> <p>Continue to test twice weekly recording any positive test result on Classcharts</p>
Mrs Crocker	Online Safety	<p>The UK Safer Internet Centre provides a wealth of useful information and advice for parents about how they can keep their children safe online. Advice for parents and carers about social media platforms and apps can be found here.</p>
Mrs Ivey	All years	<p>With current ventilation, it is sometimes cold in the science laboratories. Teachers will allow students to wear coats when the laboratory is too cold but students must be mindful there may be traces of chemicals and other substances on the surfaces which could stain a coat. No coats will be worn during practicals.</p>
School	All years	<p>Attendance</p> <p>A reminder that parents/carers must ring Attendance by 7.30am if their child is going to be absent that day. Please ring the school on 01275 373737 and select Attendance or call 01275 376882. Parents/carers must also report their child's absence on every subsequent day that they are absent. Parents/carers can also email attendance@skdrive.org to report an absence.</p>
Mrs Ivey	All years	<p>There are 156 fully-searchable books on the theme of the environment. The books are freely-available through the link below until the end of November 22nd. Please encourage your child to make use of this free resource.</p> <p>https://exacted.me/COP26ShowcaseGlasgow22Nov</p>
Mrs Collins	Year 11 Performing Arts	<p>This term Year 11 will be completing a full mock of their component 3 examination. This includes 3 pieces of written log work and a performance. The mock will be completed in school. Please encourage students to discuss with you what they are creating and to make notes as this will help them with their exam process. Rehearsal outside of the classroom is a priority to ensure they develop their skills and techniques for performance.</p>
Miss Richards	Year 9	<p>Following very positive feedback from parents/carers last year, we have refined our progress evening process. As a result, consultations with subject teachers are online, with some meetings with Heads of House taking place on site. To ensure that students, parents/carers and teachers fully utilise the meetings, we would value your feedback on how the process has worked for you.</p>

		Please complete the short feedback form by Sunday 7th November. Your feedback will help to shape any developments required for our next progress evening.
School	Years 8 & 9	Uniform Years 8 and 9 have received their school trousers or skirts this week. For a very small number of students we have had to order different sizes and are waiting on delivery. If your child has not received theirs they should arrive within a fortnight. If your child has grown since measurement, please ask them to return their trousers/skirt to SSO for a swap.

There will be a different topic each week. In 2021/22, the themes that will be explored include: medicine, cosmetics, the human body, explosions, food, emotions, materials, oceans, environment, metals and minerals. Students will be able to check their progress on each theme and can choose to complete the activities at their own pace. Please use the following link to register: https://salterschemistryclub.co.uk/register . Your child will need to register with their school email account and make sure that St Katherine's School is selected in the school selection. Please let Mr Hake know if you have any questions. Weekly Communication to Parents/Carers | Friday 22 October 2021

Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

HEADTEACHER'S UPDATE

Dear Parents/Carers

Term 1 concludes with a bumpy end but this should not distract ourselves from what has been a productive and purposeful first term. The changes we made for September are embedding and our curriculum experience is now both deeper and broader for all students, offering all students a great experience, full of opportunity. This is all captured within our newsletter which will follow shortly.

We have shared some recent assessment information with children and parents/carers this week. Please take time to digest this and consider how you can embed some of the strategies shared into your weekly routines.

We will continue to review our risk assessment at the beginning of Term 2 and very much hope for a smooth experience for all. It is vital that we all take our responsibility of twice weekly testing seriously and continue to report this each week through Classcharts, including during the holiday period. Please see Miss Richards' note below.

We look forward to students returning on Wednesday 3 November. For a smooth start to Term 2, please ensure your child returns with:

- A negative LFD
- No symptoms
- At least one clean face mask

We are here to support all our young people with their learning at all times and please do not hesitate to get in touch if you need further support in any of the adjustments we are making. Please refer to the 'Who to contact at St Katherine's' table below. We are always keen to hear your feedback and please share this using this [form](#).

Thank you to all parents/carers for your support at the start of the year.

Wishing all families a restful half term break.

Kind regards

Justin Humphreys

MESSAGES

Mrs Crocker	All years	<p>Internet Safety</p> <p>It is really important to chat with your children on an ongoing basis about staying safe online. Not sure where to begin? The UK Safer Internet Centre has advice for parents including conversation starters that can help open up communication with children. The UK Safer Internet has a huge range of support and guidance for parents too. You can find the conversation starters here.</p>
Miss Richards	All years	<p>Please support your child in completing their lateral flow tests at home. Twice weekly testing should continue during the half term break and students should also test on Tuesday 2 November, the day before we return to school. Results should be recorded on classcharts and on the government test and trace website.</p>
Finance	All years	<p>Recently a number of lunch accounts have gone overdrawn. To avoid this, Parentpay allows you to set a reminder to top up when the balance falls below a certain amount.</p>

		<p>To set an alert go to ‘Communication’, ‘Alert Settings’, ‘Balance Alerts’. Set a threshold amount (say £5) and tick email box. You will then be emailed a low balance alert when your child’s lunch account falls below £5. You can also set alerts for new items added to child’s Parentpay account.</p>
Mrs Ivey	Year 11	<p>Today in science lessons we have discussed with Year 11 students how to revise and prepare for the November mock examinations. You can find a copy of the presentation with links to revision lists here. If you have any questions please contact your child’s science teachers.</p>
Mr Davies	Year 11	<p>We have had some brilliant conversations with students over recent weeks regarding their future plans, and discussing St Katherine’s’ own thriving Sixth Form. Sixth Form Open Evening will be on site at St Katherine’s on 17 November and parents/carers will receive a letter outlining how to sign up before the break. If you have any questions at all, please contact daviesg@skdrive.org</p>
Mr Francis-Black	Year 10	<p>We apologise for having to make this change in the calendar but due to logistical reasons, the Year 10 Progress Evening will now take place on Thursday 6 January 2022. Please click here for a reminder of the progress check dates for 2021/22.</p>

Ms Wylde	Years 7-9	<p>We are about to launch our very first Readathon event. For 1 month from 1st November students will be encouraged to be sponsored for all the fantastic reading they do. Ms Wild	Years 7-8	<p>All students follow the Accelerated Reader scheme. More details can be found here. Please encourage your child to quiz their book as soon as they finish reading - see link here. Weekly Communication to Parents/Carers | Friday 15 October 2021

Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

HEADTEACHER'S UPDATE

Dear Parents/Carers

A wonderful climax to another great week with our Black Lives Matter football match involving Year 9 and Year 10s. An end to end game with a last second goal to seal victory, alongside entertaining commentary and music from our very own Mr Court and Mr Davies. The match was very well supported by students and we look forward to more events next week.

As a positive and productive term draws to a close, can I remind parents/carers not to arrange to meet their child/ren at the top of school during the school day. This is a safeguarding concern and all calls during the day must be made via the school. A reminder we have a school fence and entrance gates being installed over the coming weeks and all visitors will be required to press a buzzer at the new entrance gate to gain access through the new gates. The car park will remain outside of the perimeter fence.

Attendance continues to be impacted by illness and COVID-19 with all year groups affected by positive LFDs and PCR tests. Please continue to ensure your child brings a mask to school and test twice weekly, reporting this to school. Thank you for your cooperation.

Thank you to those parents/carers who attended last night's Parent/Carer Association Meeting. Minutes will be circulated shortly and posted on our website and we look forward to meeting in person for the next one at the beginning of 2022.

We are here to support all our young people with their learning at all times and please do not hesitate to get in touch if you need further support in any of the adjustments we are making. Please refer to the 'Who to contact at St Katherine's' table below. We are always keen to hear your feedback and please share this using this [form](#).

Weekly Communication to Parents/Carers | Friday 8 October 2021

Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

HEADTEACHER'S UPDATE

Dear Parents/Carers

We continue with the theme of COVID 19 which remains present within our community. We continue to monitor the cases across our community and thank you to everyone for testing and reporting regularly. Please read the [attached letter](#) which the Department for Education has promoted to all schools. It is critical that each of us plays our part. We are aware of some frustrations staff and families are experiencing regarding multiple positive LFDs followed by negative PCR tests and this appears to be prevalent in the South West. Please continue to follow the guidelines and test twice weekly.

Thank you for your continued patience and tolerance with resolving uniform at the start of this year. We recognise this is still not resolved for all families and please be reassured we will continue to make adjustments and will support all families until the supply issues are resolved. Once resolved, we will confirm the steps we are taking with families to ensure the experiences of this year are not repeated.

Next Thursday is our first Online Parent/Carer Association Meeting of the year. For new families who have joined us this year, all parents/carers are welcome. The meetings have become a valued and important forum for discussion on any current items raised by parents/carers. Full agendas and meetings are on the [school website](#). Should you have any feedback on this forum which has now been running for over two years, please do share it with us at school@skdrive.org.

We are here to support all our young people with their learning at all times and please do not hesitate to get in touch if you need further support in any of the adjustments we are making. Please refer to the 'Who to contact at St Katherine's' table below. We are always keen to hear your feedback and please share this using this [form](#).

Best wishes

Miss Richards	All years	<p>This autumn, all young people aged 12-15 are being offered a first dose of the Covid-19 vaccine at the same time as the annual flu vaccine.</p> <p>Children who are 12 years old and over on the day the School Age Immunisation Service (SAIS) team visits, will be offered a Covid-19 vaccination as part of the in-school vaccination programme. For those under the age of 12, they will be offered a flu vaccination. The SAIS team will visit on Monday 18th, Tuesday 19th and Wednesday 20th October. Students will only be vaccinated if consent has been obtained from parents.</p> <p>Our local SAIS provider, Sirona Care & Health, is legally responsible for the delivery of the Covid-19 vaccine and flu vaccine. Parents/Carers can provide consent for both the flu and the Covid-19 vaccine, for one or other of the vaccines or neither. Miss Richards	Year 11	<p>We have now received confirmation of the structure of the 2022 Summer examinations. The summary of changes is as follows:</p> <ul style="list-style-type: none"> <input type="checkbox"/> There will be optional topics and content in GCSE English literature, history and geography. <input type="checkbox"/> Art and photography will be assessed via the portfolio only. <input type="checkbox"/> Exam boards will provide advanced information about the focus of the content of exams for all GCSE subjects except GCSE English literature, history and geography by 7 February 2022 at the latest. <input type="checkbox"/> Students will be given a formulae sheet for GCSE mathematics and a revised equation sheet for GCSE physics and combined science. <p>Usually, previous years are used to outline grade boundaries. Weekly Communication to Parents/Carers | Friday 1 October 2021

Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

HEADTEACHER'S UPDATE

Dear Parents/Carers

Our attention has turned to the number of positive cases creeping up within our community this week. We are determined to try and stay ahead of any rising infection line and this week assemblies reverted back to our online version. We have spoken to all students yesterday to remind them of their responsibilities:

- **Please ensure your child/dren has at least one mask with them each day, ideally a reusable one.**

Your child is responsible for having a mask each day and we will be considering detentions for those who repeatedly fail to bring a mask. From next week all students and staff must wear a mask in indoor spaces (canteen, corridors, buses) where large numbers of students from different year groups are mixing. We do not have sufficient supplies to provide them for students or staff. Should you have any problems sourcing masks please contact your child's tutor in advance so we can help.

- **Please ensure your child/children continue to test twice a week, regardless of symptoms**
- **If your child has any symptoms, please ensure you book a PCR test.**

We will continue to work with the Public Health England South West team and keep our guidance and risk assessment under review. We have been working with PHE regarding the roll out of the COVID vaccine for 12-15 year olds. Please see full details in the [letter sent to all parents/carers](#).

We have completed all national tests with Year 7-10 and will be sharing this information along with some strategies on how parents/carers can support their child/ren. Reading each day remains the single most important activity for all children and we will share our strategies for supporting this shortly.

We are here to support all our young people with their learning at all times and please do not hesitate to get in touch if you need further support in any of the adjustments we are making. Please refer to the 'Who to contact at St Katherine's' table below. We are always keen to hear your feedback and please share this using this [form](#).

MESSAGES

School	All years	<p>Uniform - Monkhouse: We are aware that a number of parents are still waiting for orders to arrive from Monkhouse and share your frustration that these orders are taking so long to reach you. Following a meeting with Monkhouse this week, we can confirm that the majority of orders are in stock and are ready to be picked and dispatched. We have informed them that we expect the backlog to be cleared before we reach the half-term break. Although many suppliers are struggling with supply chains at the moment, we are disappointed with the lack of communication to parents and to school and would like to assure you that we continually evaluate and review all suppliers to seek the best service for our community.</p> <p>Uniform adjustments - winter: As colder weather approaches, we will be taking a weather-dependent approach to wearing coats indoors. We continue to ask staff to keep windows open in line with our risk assessment for COVID-19 and this means that some teaching rooms may be colder than others. Where a teacher decides that the temperature in the room is not adequate, they will give permission for children to wear coats. Please note, hoodies remain prohibited on the school site. If your child does not have a winter coat and purchasing one would place you in financial hardship,</p>

Weekly Communication to Parents/Carers | Friday 24 September 2021

Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

HEADTEACHER'S UPDATE

Dear Parents/Carers

Please ensure your child brings a clean face mask with them to school every day.

Thank you to all parents/carers for your understanding on Wednesday when we were alerted by a parent/carer about an incident in Lawrence Weston. Once we had confirmation from the Police, coaches and students left the site. Students were very mature, showing patience and understanding throughout.

This week saw the return of our assemblies and how wonderful it was to see our houses back in the lecture theatre, being led by their Head of House and very important House Leaders. Interviews for our Head Students took place this week and we are delighted to share that Grace Newby and Sharmarka Mattan have been appointed. Congratulations to them both, along with all the other candidates who will form a strong leadership team across the sixth form and school. We look forward to seeing their positive impact on the school.

In the interests of safety, please use the overflow car park to collect your child from school. The congestion in the staff car park is becoming a concern along with parents/carers blocking access to cars leaving spaces including the spaces for those with disabilities. We will keep this under review and should the situation not improve we will close the staff car park during pick up time.

You will have heard in the news that all young people aged 12-15 are being offered a first dose of the COVID-19 vaccine. Public Health England has shared some [resources](#) and [FAQs](#) and we will write to all parents with further details once confirmed

We are here to support all our young people with their learning at all times and please do not hesitate to get in touch if you need further support in any of the adjustments we are making. Weekly Communication to Parents/Carers | Friday 17 September 2021

Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

HEADTEACHER'S UPDATE

Dear Parents/Carers

Another smooth week at St Katherine's as we adjusted to our new timings on Wednesday. A thoroughly productive afternoon with staff focusing on effective modelling in the classroom. We subscribe to the view we can all improve and the conversations, practise and adjustments made on Wednesday afternoon will have impacted on modelling this week and beyond. This is a new powerful model to ensure we deliver our whole curriculum in the most effective way. Our updated school development plan is on our website.

Onsite testing is complete and still please continue to test twice a week at home until further guidance is issued. We have had a number of positive cases spread across our year groups and classes and we very much hope this allows us to continue safely this term and beyond. A huge thank you to our parent/carer helpers who worked flat out in the testing centre to help process all our young people safely. A real sense of community in our testing centre which we have hopefully now taken down for the last time.

Please ensure your child brings a clean face mask with them to school each day. We are looking forward to assemblies returning to our lecture theatre next week and we will ask all students to wear a face mask (unless exempt) while positive cases are still occurring.

Our new late tutor group is highlighting how good punctuality is across the school and we want all students to value this. Thank you for your support in helping us achieve 0.003% late this morning, at the end of our second week. Our target is zero each day. Reminder: please ensure your child is on site by 8:30 each day.

Thank you for your continued patience and tolerance with getting your uniform at the start of this year. We recognise this is still not resolved for families and please be reassured we will continue to make adjustments and will support all families until the supply issues are resolved.

We have been disappointed with the reliability of the First Bus service and have shared this feedback with them with staff and students being let down in the mornings. We will continue to monitor this.

Interest in St Katherine's remains very high and we now have waiting lists in all years groups apart from Year 11. On Thursday 23 September we have our annual Open Evening which is sold out and we are running a number of open mornings.

Reminder

Term dates for next year have been amended to reflect the additional day given to celebrate the Platinum Jubilee of Her Majesty the Queen so Term 6 will end on Thursday 21 July 2022. [Term Dates 2021-2022](#)

We are here to support all our young people with their learning at all times and please do not hesitate to get in touch if you need further support in any of the adjustments we are making. Please refer to the 'Who to contact at St Katherine's' table below. We are always keen to hear your feedback and please share this using this [form](#).

Peer on Peer Abuse Policy	All years	<p>At the end of the last academic year our governors approved St Katherine's updated peer on peer abuse policy. It has been by staff and students and reflects our approach to bullying, sexual harassment and prejudice based bullying. A student summary of the policy has been written and all students have reviewed this in tutor time at the start of term in their tutor group.</p> <p>The policy aims to make clear that we do not tolerate all forms of bullying, sexual harassment, racist, sexist, homophobic or transphobic abuse and that we will support those that have been affected.</p> <p>The full policy is available on the school website and I am sharing the student summary here in order for you to read and discuss with your child.</p>

Mr Francis Black	All Public Bus Users	<p>I have this week spoken to the operations team at First Bus to share some of the concerns that you have raised with us about the new timetables. Should you wish to add your own voice and provide feedback, you can do so by calling 0345 646 0707 or by completing their contact form.</p> <p>For users coming from Bristol the most reliable service will be the X4 departing the bus station at 07:40 am and arriving outside school at around 08:20 am.</p> <p>For users coming from Portishead the best service will be the X3 departing Down Road at 07:31 am and arriving at the end of Martcombe Road at around 08:05 am. This will leave an 800m walk into school allowing sufficient time for punctual arrival.</p> <p>The school has a legal obligation to accurately record attendance and punctuality and any students arriving after 08:35 am will be marked as late.</p>

Dear Parents/Carers

Here are the latest school messages and updates for your information plus details of any letter sent home during the last week.

HEADTEACHER'S UPDATE

Dear Parents/Carers

A great first week back at St Katherine's with a safe return for all students. Thank you to all families for your patience with this return.

A few reminders:

- Your child's confirmation test result may have been delayed this week as the national system has been slow reporting for some families.
- We have had two positive cases this week through our internal testing and have taken steps inline with guidance and our [risk assessment](#).
- We will review the use of masks at the end of the month. In the meantime, please ensure your child has a clean mask with them when they set off for school.

Thank you for your patience and tolerance with getting your uniform at the start of this year. We recognise this has been less than ideal for the start of the new academic year and be reassured we will continue to make adjustments and will support all families until the supply issues are resolved.

Term dates for next year have been amended to reflect the additional day given to celebrate the Platinum Jubilee of Her Majesty the Queen so Term 6 will end on Thursday 21 July 2022. [Term Dates 2021-2022](#)

We are here to support all our young people with their learning at all times and please do not hesitate to get in touch if you need further support in any of the adjustments we are making. Please refer to the 'Who to contact at St Katherine's' table below. We are always keen to hear your feedback and please share this using this [form](#).

Best wishes

Justin Humphreys
