

17 March 2022

Dear Parents/Carers

COVID update

Thank you to all families for remaining disciplined and vigilant with identifying and acting on symptoms and equipping your child with a clean mask each day. Despite our efforts, the backdrop of covid continues to challenge our community with multiple staff affected since the beginning of term. We are doing all we can as a community but are having to take last resort action this week to ensure we can continue to run the school safely.

Changes for this week

Friday 18 March

Closed to Year 7 and Year 9 students

All work set on Google Classroom should be completed as per the instructions for each subject. Work set will be focused on consolidating work completed this term. Please encourage your child/ren to make the most of the day and use additional resources such as Seneca and Hegarty Maths if needed.

We will review the situation at the beginning of next week and will keep you informed if there are any further changes required.

Thank you for your support and understanding.

Yours sincerely

Justin Humphreys
Headteacher
