Dear Parent/Carer

As we enter the final week of exams we want to share how impressed we have been with the way in which students have conducted themselves. It has been very reassuring to see the focussed preparation that takes place each morning as they gather in the dining hall.

For this final week, we still have a packed schedule of support that students are expected to attend.

 - All students to leave the school site at the end of the exam. Where students catch a school bus they are welcome to use the Leaf as a space for quiet reflection until the end of the school day.

Outside of these times, the normal timetabled rooms will be available and supervised. Students will be expected to remain in these rooms and focus on their own exam preparation. **Should students feel that this is not the most appropriate place for them to work they will be permitted to sign out of the school site once it is clear that they will not need to return later that day.**
