Post-16 Bursary Guide For Students 2022/23

What is the Post-16 Bursary?

The Bursary Fund is a Government grant designed to help support those young people whose access to, and completion of, education might be inhibited by financial constraints. The fund is aimed at vulnerable young people and those who could benefit from financial assistance.

What sort of support could I get?

Students can receive support if they face financial difficulty with any aspect of their education. This includes, but is not limited to, support with funding travel, textbooks, revision guides or other course materials, a chromebook, curriculum-related trips and visits, travel costs for university open days. For those most in need, weekly payments can also be made to the student.

Below are four examples of the levels of support a student might receive across a year. They are indicative only, and the support provided would vary based on the level of need of each individual.

Indicative Case studies

Student A: Household income £6000

What are the criteria?

We use household income as an indicator for the level of support a student might need. If you are a St Katherine's Sixth Form student and your household income is around £25,000 or below, we will be able to offer support. Each application is assessed on a case by case basis - if you are in financial need, we would encourage you to apply. There is also support available for students who are, or were, living in care, in receipt of Income Support or receiving Disability Living Allowance.

How do I apply?

Complete the attached Post-16 Bursary application form. This will need to be completed with your parents and any supporting evidence (e.g. P60, child tax credits statement) attached. If you need any support completing the form, speak to Mrs Papworth.
