BORN 12 JULY 1997

In some parts of the world, students are going to school every day. It's their normal life. But in other parts of the world, we are starving for education...it's like a precious gift. It's like a diamond.

Your education is like a diamond. Treasure it

FRIENDSHIP | ASPIRATION | DETERMINATION

The strength of the team is each individual member. The strength of each member is the team.
